

**Carrying the flame of Azusa to the next generation  
throughout the nations of the world.**

Dear Future Associates & Ministers,

Azusa Street Apostolic Network (ASAN) is a Network not a denomination or organization but an organism, encouraging healthy interpersonal relationship and spiritual growth. Every five-fold minister or ministry is unique and the Azusa Street Apostolic Network does not seek to restrain, diminish or compete with the minister or local church but rather to augment, affirm and enhance the member's individual calling and vision. The ASAN Network offers more than credentials and affiliation. As covenant partners we provide activation, training, accountability and relationship with like-minded ministers who are moving in the apostolic and prophetic, by equipping each person to fulfill their destiny in Christ.

Thank you for requesting an application with Azusa Street Apostolic Network (ASAN). In these last days, God is raising-up a company of apostles/prophets and five-fold ministers, who are trained to hear, respond to and be His voice. The purpose of the ASAN Network is to train, equip, and provide relationship, covering and accountability for many in this end time.

There are three levels of relationship available for those requesting affiliation with ASAN:

- **ASAN Associate Minister:** One who is licensed or ordained by another ministry or network but desires relationship with ASAN.
- **ASAN Licensed Minister:** One who is actively pursuing full-time, five-fold ministry and desires affiliation with ASAN.
- **ASAN Ordained Minister:** One who is established in full-time ministry and wishes to be confirmed by the laying on of hands to participate in a committed relationship.

If you would like to be considered as an ASAN Network Associate Minister, please complete the application and send a **\$25 application fee(USA)** made out to Azusa Street Mission in the note section: A.S.A.N. and mail to: *(If you live outside of the USA, please contact us to receive International ASAN contact information.)*
